Baker / confectioner / food producer (m/f)

We at Karls love what we do. That's why nothing remains hidden with us - not even you! As a baker you are a member of the Karls family and the good soul for our fans, who can watch you doing magic in the bakery. With your smile and your positive attitude, you charm everyone in our live shows. You love to make our fans happy with all our delicious wood-burning oven products. Baking according to old tradition makes your heart beat faster. With love to detail you mix flour and all other ingredients in such a way that our farmhouse breads, rolls and cakes melt away and become delicious.
