KITCHEN 'PRO' ATSCHULZ HOTELS

- We aren't just only many great people, we're also a great team! Make new friends, also out of work hours and at staff events!
- Turn your passion into a profession! Show our guests, that cooking is much more than making food
- You contribute well to the job, help shape the workplace and take responsibility
- You keep cool during stressful moments
- Develop to your full potential and reach the next step in your career
- Our team and guests come from all over the world - use your fluent English skills
- Help evolve our restaurant concept and improve our breakfast deals
- No matter if you had a vocational training in the kitchen or not - what is most important to us is, that you feel like at home in the kitchen, love new food trends and never burn the cooking!
