WIR BIETEN

Tätigkeit

Arbeit: Electrical Engineer (m/f) or Electrical Technician (m/f) (Ingenieur/in - Elektrotechnik (allgemeine Elektrotechnik)); ein offenes von ursprünglich einem gemeldeten Angebot; Sozialversicherungspflichtige Beschäftigung; Keine Führungsverantwortung

Stellenbeschreibung

This is one of the vacancies which are published in preparation of a recruitment event for the Stuttgart area. Selected applicants will be invited for interviews in Stuttgart (December 06 to 08, 2011). Travel and accommodation expenses will be paid from Barcelona (special flight) to Stuttgart and back.

Please only apply for this open position if your Spanish language is fluent und your German language skills match at least basic level and refer to number 10000-1075860959-S.

We are a mid-sized company close to Stuttgart and long-time experience in planning, development and operation of electronic control software for our customers in the engine building industry.

Electrical Engineer (m/f) or
Electrical Technician (m/f)

Your tasks

- Control system development and operation of machine tools and assembly lines based on the Siemens Sinumerik and/or Bosch Rexroth MTX control system
- Independent subproject management including project development and project execution
- Collaboration in large-scale projects

Your qualification

- Bachelor's or Master's Degree in Electrical Engineering, Automation Engineering or Computer Engineering – alternatively
- Technical training as Automation Technician
- Knowledge of Siemens Sinumerik and/or Bosch Rexroth MTX control system
- Elementary German or/and good command of spoken and written English

We offer you an interesting and multifarious field of work in a successful company.
A performance- and qualification-related salary (3500–4800 €) is part of our philosophy.

We look forward to your application.
