JOB VACANCY

We are looking for a new team member (male/female) with a university degree and preferably some professional experience (although this is not absolutely necessary) in

VEHICLE TECHNOLOGY
MECHANICAL ENGINEERING
MECHATRONICS
ELECTRONICS

GOTECH Fahrzeugentwicklungs- und Konstruktionsgesellschaft mbH (vehicle development and construction company) is the development partner for renowned car manufacturers and suppliers. The company works from the first conceptual phase right up until the start of serial production. Our highly specialised team turns ideas into feasible concepts, offers support in the functional design of products and analyses drafts with the aid of modern software. We accompany projects right up to the run up of series production and ensure that quality is upheld during production. Our range of services also covers prototype construction, data management and CAD training sessions.

PREREQUISITES FOR YOUR APPLICATION:

- Excellent German language skills and knowledge of professional terminology
- Excellent English language skills and knowledge of professional terminology
- Sound knowledge of CATA V5 and/or Unigraphics
- Willingness to work in Germany for at least two years

WE OFFER:

- A varied range of interesting tasks in vehicle development
- Appropriate remuneration
- Starting annual pay is dependent on professional experience and expertise and lies between € 32.400 and € 38.400
- Permanent employment will be offered after the trial period
- Integration in a highly specialised team
