

IPS Hessen

ZAV- INTERNATIONAL PLACEMENT SERVICES

DEPARTMENT OF GERMAN FEDERAL EMPLOYMENT AGENCY

**We are looking for 6 Electricians/Service Technicians
(m/f) in the region of Hesse.**

Specialization:

Perform IT Infrastructure services for leading retail technology companies.

Your tasks:

- Service and maintenance of IT network infrastructure
- On-site problem solver – especially wiring technique, light-systems and rack installation
- Represent the company to customers
- Reporting and documentation

Your profile:

- Knowledge in the fields of wiring technique, light-systems and rack installation
- Vocational training not mandatory, but work experience
- Good English language skills required, German not mandatory
- High flexibility
- Car's driving license

What we offer:

- Full-time employment with unlimited duration
- Salary according to qualification and work experience (2.200-2.700/€ monthly gross)
- Retirement provision included and an additional dental insurance

The company will help you to find an accommodation and give individual support for the first steps in Germany.

The company is based in Nidda, a town close to Frankfurt, in the state of Hesse.
