The International and Specialized Services (ZAV) is a special office of the Federal Employment Agency working in cooperation with the EURES network. The ZAV recruits and places jobseekers who are interested in working in Baden-Württemberg.

We opened our hotel as a venue for holidays and conferences in Überlingen am Bodensee in 1974. Today we have 183 rooms and suites, accommodating up to 350 guests, as well as restaurants, sun decks, 12 event and conference rooms, and banquet capacities for up to 180 people. We are especially proud of our panorama sauna, swimming pool and spa/wellness area, where our guests are pampered with high-quality products from Maria Galland.

This is the hotel trade as we imagine it – naturally centred around the guest, but also for and with the people who work there. Arrive. Switch off. Modern and yet cosy, fully equipped and yet sustainable, refined and yet approachable. With us, everything is a bit different – or in fact rather normal – when compared with being at home. For example, we have enough time to chat with guests about the things that matter (and those that don't).

We are now seeking the missing piece of the puzzle, so that we have the right team to accomplish great things:
