Zentrale Auslands-

The Zentrale Auslands- und Fachvermittlung (International Placement Office – ZAV) is a special service offered by the German Federal Employment Agency in collaboration with the Netzwerk (network) EURES. The ZAV recruits and places job-seekers who are interested in employment in Baden-Württemberg. Our service is, naturally, free-of-charge for you.

The federal state of Baden-Württemberg, located in the south-west of Germany, is one of the most competitive and economically-strong regions in Europe. In addition to many large international companies, there are also many medium-sized and smaller companies, which form a vital and indispensable pillar of our economy. The job market is stable and the need for skilled workers is great.

As a medium-sized construction company, with approx. 50 employees, we work in the areas of civil engineering, pipeline construction and cable installation on construction sites throughout Baden-Württemberg.
