The Federal Employment Agency's International Placement Services (ZAV) is looking for you!

The ZAV supports and advises you on your job search and commencement of work in Germany. We are the Federal Employment Agency's international office and a member of the European Employment Services (EURES) network. We offer foreign applicants free and independent advice on living and working in Germany, contacts to German employers and job placements. We provide you with customised consultancy services as well as many other offers in the German labour market.

The federal state of Baden-Württemberg is situated in the south west of Germany, and is one of the most economically-powerful and competitive regions of Europe. Alongside many major international companies, there are also lots of middling-small firms, who are an indispensable pillar and backbone of our economy. The job market is stable and there is a high demand for skilled workers.

The construction industry has a growing demand for well-trained craftsmen.

Our construction company has had 40 years' experience in all essential building areas, both above and below ground. We are partners in building construction, civil engineering, roadmaking, pipeline construction, logistics, special operations and all information relating to building.

To strengthen our team, we are looking for a:

Cost Accountant

To start as soon as possible or after an agreed upon period.

Your Profile:

- A degree as a building engineer
- Work experience as a cost accountant
- Experience and contact with EDP programmes (BRZ/Nemetscheck)
- An independent method and distinct awareness of pricing
- Technical and commercial knowledge
- Basic knowledge of German at B2 level at least
