Programm für lebenslanges Lernen

Bundesagentur für Arbeit

Zentrale Auslands-
und Fachvermittlung (ZAV)

The Zentrale Auslands- und Fachvermittlung (International Placement Office – ZAV) is a special service offered by the German Federal Employment Agency in collaboration with the EURES Netzwerk (network). The ZAV recruits and places job-seekers who are interested in employment in Baden-Württemberg. The service is, of course, completely free-of-charge for you.

The Federal state of Baden-Württemberg, located in the south-west of Germany, is one of the most competitive and economically-strong regions in Europe. In addition to many large internationally-active companies, there are also many medium-sized and smaller companies, which are a vital and indispensable pillar of our economy. The job market is stable and the need for skilled workers is great.

Our company is a global, leading full-service provider of online financial applications. The company from Karlsruhe combines expertise in consultation, creation and technology – it supports its customers with provider and data management, as well as with the conception, design, creation, development and hosting of innovative online solutions. In more than 25 countries, banks, online brokers, media portals, investment companies and financial service providers rely on our online consultation services and solutions for the financial markets.

For our headquarters in Karlsruhe, we are looking for motivated colleagues (m/f), who are strong in development, dedicated and have convincing ideas to start as soon as possible.

Senior Front-end Developer (m/f) in Product Development

Your Tasks & Responsibilities:

- You develop concepts for new products, components and services
- You create prototypes to test and present your ideas
- Our sophisticated and high-performance web architecture is designed and implemented by you
- You will establish the company-wide standards and also continue to develop them
- As a central contact point for your domain, you can advise on projects, as needed
- You are part of an international team of experts within which you assume various roles

Your Profile:

- Front-ends are your passion and you have a feeling for interaction design and usability, as well as a personal ambition to optimise them
- HTML/CSS and JavaScript are your tools that you use to realise first-class front-ends
- Gulp, Git, Sass, node.js, DRY, KISS, REST, Jasmine are not foreign words for you
- Angular is more than just a hobby for you, and other frameworks are known to you, at least by name
- You know how to use a style-guide, implement it modularly and further develop it
- C# is not unknown to you and you know how to work with it
- You have gained experience in agile development, ideally with Scrum
- Very good German and English skills, both spoken and written, complement your profile
- You are not familiar with the financial markets? No problem, we will teach you everything you need to know and always wanted to know!

We Offer:

- Complex IT challenges are part of our daily routine
- Our communication is open and direct
- We take care of our employees
- Regular team events and company celebrations
- Our offices are centrally-located and have excellent transport connections

Contract Term: Permanent

Working Hours: Full-time

Start Date: Immediately
