The International and Specialized Services (ZAV) are a particular department of the Employment Agency in Cooperation with the network EURES. The ZAV recruits and mediates job applicants, who are interested in an employment in Baden-Wuerttemberg. Our Services for you are, of course, free of charge.

The federal state of Baden-Wuerttemberg situates on the south-west of Germany and is one of the economically strongest and most competitive regions of Europe. Apart from many internationally operating companies, also middle-sized and small business are a carrying and indispensable column of our economy. The labour market is stable and the necessity of skilled labour high.

Special Machine Construction has been our business for more than 30 years. We develop and construct entire industrial plants according to the customer's wish. Those can be used for installation, measuring and inspecting of, for example, vehicle components. The customers appreciate us for our committed services during the entire service life of our plants and our Swabian capability of adapting plants fast and unbureaucratically to the newest products, e.g. load alternator.

For us it is important, that the work environment ensures performance and creativity and that our employees can maximize their self-responsibility.

To the next possible date, we are looking for a:

Commissioning Engineers (60% Inhouse- 40% Europa)

Wanted for the commissioning and programming of our plants.

Your Profile:

- Preferably, you have completed a vocational training as technician, PLC programmer or you are a specialist with sound experience in automation of customized machines
- German: advanced basic skills A2/ B1
