

Stitcher / Sewer :

Adecco International Mobility is looking for some Stitchers / Sewer , who stitches mattress covers on the production line .
You'll have to do this by using an industrial stitching machine.
Experience as a Needlewoman – Needleman – Seamstress is a must , no confection !

Production hall is divided in three workstations:

1st Station : Stitch the top and bottom of the cover together

2nd Station : Stitch the composition of the covers

3rd Station : Mattresses where the cover has no zipper stitching together (this is the heaviest workstation = physical work)

After doing a test , you are assigned one work station.

Your training starts in day shift, after finishing your training you must be able to work in 2 shifts .

Profile :

- * experience a stitcher is necessary .
- * Physical work is no problem .
- * You're able to work in 2-shifts .
- * You're able to communicate in English

Benefits :

You work as a stitcher / sewer (M/F) in a leading company with international appeal.

The company invests in their employees and provides good guidance and training in the workplace.

Offer :

Salary : 11,3696 euro/h

Shift premium : 6%

Meal vouchers : 5,20 euro/day

Transport refund

Hours :

starting in dayshift and to end in a 2-Shift employment :

- week 1: from 5:00 to 13: 15

- week 2: from 1.15 pm to 9.30 pm (on Friday until 6.55 pm)
