

Valeo is one of the world's leading automotive suppliers of components and integrated systems for both the original equipment and aftermarket sectors. As a technology company, Valeo proposes innovative products and systems that contribute to the reduction of CO2 emissions, to the improvement of vehicle performance and to the development of intuitive driving.

Our Martos Plant in Jaén (Spain) is one of the biggest sites within our Visibility Systems Business Group in charge of leading changes and efficiency for Lighting Systems solutions.

Valeo Spain, certified Top Employer 2017, provides exceptional employee conditions, nurtures and develops talent throughout all levels of organisation, by offering candidates opportunities to develop their potential, to reach their career development goals and to bring their contribution to technological innovations in the automotive industry.
