EURES FACTSHEET - hiring via Den Breejen, Sliedrecht, The Netherlands.

General information:

The Breejen Work (DB Work, Sliedrecht) is part of the Breejen Group (since 1952) and provides employment in the maritime/technical and engineering sectors in the Netherlands.

Why choose us? DB Work has a total solution for its customers and our specialists. The Breejen has been active in Romania since 2001; because we as a recruitment agency, we have an extensive network in the maritime and technical sector. Our temporary workers usually come from the maritime regions Galati and Constanta in Romania, where companies such as Damen and Daewoo Heavy Industries are located. So we make sure that our professionals have sufficient experience before they come to the Netherlands. This is our current situation, so I want to work together with EURES to look much wider in Europe.

Reference clients: Servicing all ships of the Dutch navy, Damen Vlissingen, Damen Gorinchem, welding and construction company Ibis, Neptune Shiprepairs, Shipyard Reimerswaal, Shipyard Gerlien van Tiem, Franklin Offshore, Wim Toledo, SPIE Netherlands, TATA steel.

We are NEN4400-1 / ABU following and VCU – VOL certified.

Common positions:

- Welders (including specialized and certified welders, such as ON, aluminum or 6G welders)
- Iron workers
- Bank Workers
- Millers and turners, programmers
- Pipe Fitters
- Flange Mechanics
- Maritime Electricians

Service to candidates:

- CV's of EURES are handled by myself and dealt with. I want to ensure that feedback is given to EURES advisers in Europe. So you know the results and also keep on top of what works and what does not. Also in terms of price and experience.

- Health insurance with no deductible. Comes on top of salary / no cost for the candidate.
- Hourly rate is typically between 10 euro and 14 euro net per hour, depending on experience and the customer.
- We provide accommodation near the project or our customer. No costs for the candidate!
- BSN number is applied as in the first days of arrival.
- 1 trip home per year free of charge.
- Car for residential work including traffic for groceries / no costs candidate!
- Coordination 24/7 in English for help by doctors visit or other troubles

I look forward to a multi beneficial cooperation for the long term.

If any questions please do not hesitate to contact me.

Kind regards,

Jörgen van Dijk
