**Short description of company**

Recruitment agency

### **VACANCY DETAILS**

**Job description:**

The client is the Dutch Government, and it is guarding the safety of food and health of animals in the Netherlands.

The supervising veterinarian (practitioner) guards the safety of food and the health and wellbeing of animals.

For instance by means of supervising and checking the rules and guidelines in slaughterhouses, animal transports and import.

The supervising veterinarian supervises with emphasis on the system and maintaining it. If necessary and desired he/she takes required actions and also advices about the compliance of rules and regulations in practice.

Dependent on the workload the work location can be in slaughterhouses (red meat or poultry) or the candidate is going to certify in primary businesses, export warehousing and cool- and freezing warehouses.

Work locations are in several regions in the Netherlands. The main language is Dutch.

### **REQUIREMENTS**

A veterinary degree as certified by CIBG (in the Netherlands)

Min. of 2 year experience as a veterinarian.

Good knowledge of the English language written as well as spoken (B2)

A steady and confident personality with respect for law and regulations.

Being willing and able to maintain law and regulations according to Dutch and European standards.

Willing to move to the Netherlands

Valid driving license (min. 2 years driving experience)

### **WORKING CONDITIONS:**

One year contract with the possibility of longterm employment.

Salary starting from € 40.000,-- gross annual excl. allowance for irregular hours (based on 30 hour workweek)

Dutch language course  
Training (partly on the job) with our client  
Support at housing  
Support at mandatory registration in Dutch veterinary register (CIBG)  
Discount on a collective health insurance plan

Job location: Zwolle; Netherlands

**Starting date:** ASAP

**Type of contract:**

Initial contract for half a year or a year. According to the wishes of the candidate. After this it's possible to go to a permanent contract if both parties agree.

Full time

Number of working hours /week: Between 38 and 40 hours.

Shifts and work on days off: The work is from Monday till Friday at office hours (9:00 / 17:00)

Employer provides help with, finding a place to live, all administrative things including government and healthcare, the journey here, get in contact with the expat club here if you want and etc.

Starting date: September 2018

Closing date for applying : 31 July 2018
