Optometrista con inglés. Salten Synssenter. FAUSKE (Noruega)

saltensynssenter.no

Salten Synssenter AS is a well established optical company with headquarter in the center of Fauske, a small town in the county of Nordland, and in Fauske commercial park. We are a member of a chain (C-optik) which currently has more than 100 member companies in Norway and collaborate with Swedish and Danish colleagues.

We are looking for an optometrist to fill a 100 % position. The right candidate has to be extrovert and positive with the ability to work independently and structured. Cooperative skills are necessary. We emphasize personal qualities such as flexibility, creativity, attitude and good humor. We also focus on quality and service and urge our optometrists to participate in courses and developing their competence. Norwegian, Swedish or Danish language would be an advantage.

Qualifications needed:

Bachelor degree within optics (min. 3 years)

Knowledge about contact lenses

Good command of the English language

Type of contract: 100 % permanent position

Salary: With the necessary qualifications as an optometrist: From 34.000 NOK pr. month, increasing with NOK 2000 pr month with acceptable Norwegian language knowledge, and further NOK 2000 pr. month when obtained Norwegian license as optometrist

Housing: We will assist in finding a place to stay. At the moment we have a small apartment suitable for one person at the cost of NOK 4000 pr. month with water and heating included, but if that is rented out, we will assist in finding other solutions

Contact person: Manager Asbjørn Lorentzen, tlf. +47 95207590
