

## VETERINARY SURGEON FOR SMALL ANIMALS

### 12 Small Animals Vets wanted:

VK Recruitment Ltd is an established Recruitment company in the United Kingdom mainly for the medical sector. On a lower scale we are also active in other sectors as well.

Friendly, happy and supportive, team looking for an experienced colleague to bring their expertise, ideas and enthusiasm to our busy practice.

We are a highly-rated multi-disciplinary practice for small animals with an excellent reputation locally. We see a wide range of medical and surgical cases. We have exciting plans for the future and are investing in facilities, and our staff, all the time. We're looking for our team to enjoy a fulfilling career, with great quality of life.

Competitive Salary - negotiable, dependent on experience. We prefer candidates with working experience, but newly qualified Vets are also encouraged to apply.

### Key duties and responsibilities

Treating pets and small animals mainly without supervision

### Working Conditions.

Permanent position, full time work, 40h/week, salary, from 28.00 to 50.000 GBP £ gross per year. Place to work: UK.

Excellent salaries, 28 days holiday plus bank holidays, a culture of continued improvement, further qualifications encouraged and supported.

Help is offered to find accommodation and to settle in a new environment
