

VETERINARY SURGEON FOR ANIMAL FARMS

5 Farm Vets wanted:

Would you like to join a friendly, capable and motivated team?

Due to expansion, our client looking for vets to join our enthusiastic farm focused team overseeing the health and welfare of livestock. These roles would suit an experienced vet wishing to work at a more senior level and be able to relocate if necessary. However, if you are a new graduate wishing to develop a career in farm practice then you are also encouraged to apply.

Are you driven by providing excellent client service?

Do you enjoy the challenge of an expanding client base?

Would you like to work for a business that values its employees?

Excellent salaries, 28 days holiday plus bank holidays, a culture of continued improvement, further qualifications encouraged and supported, an excellent support network, RCVS library membership, company car, VDS, generous pension scheme and private medical cover.

Key duties and responsibilities

- Routine veterinary work (mostly dairy)
- Emergency veterinary work, including equally shared on-call
- Herd health planning
- Data monitoring
- Keeping good records of veterinary work
- Charging appropriately for time on farm
- Growing the practice by maintaining a good company reputation and engaging new clients
- TB testing equally shared
- Contributing to the wider Origin group

Working Conditions.

Permanent position, full time work, 40h/week, salary, from 30.00 to 60.000 GBP £ gross per year. Place to work England.

Help is offered to find accommodation and to settle in a new environment
