sprinkle fitters

Bravida is a leading multi-technical service provider in the Nordics, with more than 10 000 employees. Bravida delivers specialist services as well as complete electrical, heating and plumbing, and HVAC solutions, offering everything from design and project planning to installation, operation and maintenance. Bravida is represented in around 150 locations in Sweden, Norway, Denmark and Finland. www.bravida.se/en/ Number of employees: 10 000

"I chose Bravida because it is a large organization that extends across the country. There is an enormous amount of competence here".

This is the voice of one of our employees. Is this consistent with how you want your workday and employer to be, then this position is something for you!

Work assignments

Bravida C2M Sprinkler is looking for sprinkler fitters for our business based in Stockholm. As a sprinkler fitter, you will work with varying assignments in different types of operations throughout our business area. If suitable, your role can be extended to cover the entire work team and you will become ultimately responsible for your group during your project. As a sprinkler fitter you will be part of a team with many competent employees.

We offer you

Bravida C2M Sprinkler is specialized in the design, installation and maintenance of new and existing sprinkler systems in all types of real estate. Our customers consist of large and small clients and the assignments are located in all types of real estate, such as industry, logistics, hospitals and offices. We offer you a stimulating work in a flexible organization where you install

sprinkler systems independently or in larger teams. We invest in our employees and you have every opportunity for further development and advancement.

Apply: Welcome with your application by November 15.

Who are you?

As a person, you are a flexible team player with a strong drive to assist in delivering the projects on time and with the right quality. You contribute with a positive spirit in the workplace and have good cooperative skills. In your work, you like to take own initiatives and you act solution-oriented.

We would like you to have good knowledge of the regulations that concern the profession. Furthermore, it is a plus if you have worked as a team leader. Because of the fact that workplaces vary, we assume that you have a driving license.
