Does your company need professionals?

- Our aim: To help you find the suitable candidates.
- Shortages of professionals in some EEA countries.
- Surpluses of professionals in Spain.

We are ready to cater for your needs of professional staff!

Why from Spain?

- Spain ranks fifth position in Europe in GDP and in population.
- Spanish companies are leading activities at international level in touristic industry, civil engineering and structures, telecom, renewable energy, banking...
- Second country in car production in Europe, fifth in textile production.
- Excellent network of high education institutions, well-known quality in the training of doctors, nurses or engineers.
- Due to the current economic situation many Spanish professionals are looking for challenges and new opportunities in other countries.
