## Cook (m/f) (ID: BY-457-HOGA)

The inn in the Freising area has been family-owned for five generations. With the handover to the youngest generation a few years ago, there was also a realignment of the catering business. In addition to the previous predominantly traditional meals and menus, an upscale, modern-ambitious cuisine has been successfully established, which meets with wide acceptance among our guests.

Our leading market position in the region was expanded and our catchment area expanded. A high proportion of regular guests as well as the extraordinarily high capacity utilization of our event rooms confirm this. The restaurant, beer garden and new, modern function rooms can accommodate up to 600 guests. A total of 60 employees take care of the well-being of our guests.
