

Puesto de trabajo: **FRESADOR/A con CNC** (Ref. VDAB 59092265)

Nº de puestos: 1

Lugar: **Bélgica (Zulte)**

Fecha: 8/3/2019

For a dynamic company specialized in the production of complete series of hinges and locks for doors and windows, ADECCO is looking a CNC operator for his client.

Perfil del candidato:

- Nacionalidad de un país de la Unión Europea.
- Good english
- You have an education in a mechanical direction and are specialized in computerized machines
- You have experience with milling (CNC)
- You have experience with programming of Powermill software
- You are able to use specific tools such as rulers, micrometers, etc...
- On top of that you are able to read and apprehend technical plans.

Funciones:

- As operator, you have both experience in operating and programming CNC milling machines. You will be responsible for the assembly of different molds, that will be used in the production of different series and pieces.
- You will set up and operate milling machines - programmed in Powermill

Condiciones laborales:

- You will work in two shifts (morning 5am to 13pm / afternoon 13pm to 21 pm)
- We offer you a fulltime employment, according to Belgian law (social security, health insurance, etc...)
- You will work Monday to Friday 8 hours per day, 40 hours per week, in 2 shifts.
- Salary between 14 and 15 euros gross per hour, depending on experience and skills
- We only respond to eligible candidates with an extensive experience and motivation!

Interested candidates send motivation letter and CV to

waregem.337@adecco.be
