Sundsvalls Golfclub is looking for chefs for the 2019 season, May to October.
www.sundsvallsgolfklubb.se

We are looking for **two chefs with social competence** who wants to cook appetizing food for our guests.

Our kitchen is newly renovated and the modernly decorated restaurant with 60 seats indoors and 40 seats on the outdoor terrace, becomes a natural gathering place as it is directly adjacent to the training area as well as 1st and 18th tee.

Sundsvall's golf restaurant is a big contributor to the experience of Sundsvalls Golfklubb.

The club, which was founded in 1952, with its 1600 members is a club full of ambitions and with every opportunity for you to develop your own restaurant concept.

The assignments in the restaurant include cooking different dishes, both for lunch offers and à la carte menu, as well as providing a well-stocked selection of "Swedish fika".

You as a person are extrovert, positive, loyal and hardworking, and have a nose for good food and tasteful presentations. It's okay if you're at the beginning of your career as a chef.

The work schedule varies from week to week depending on the golf course's competitions, courses and restaurant bookings, and the two of you will have the privilege to divide the daily tasks between you to cover Morning-Lunch, or Lunch-Evening, Monday to Sunday.

This offer is a seasonal employment between May and October, and we can help with accommodation during the season.
