Description of Company:

Västervik Resort is one of Sweden's largest resorts with around 240.000 guest nights per year. The resort is located in Småland in the city of Västervik on the east coast surrounded by 5000 islands and Swedish forest. Västervik is centrally located and it's only 2 hours to the nearest airport, Skavsta or Kalmar. We are a seasonal resort and hours vary based on time of year. We have two restaurants at the resort that focus on family, friendly experiences. Västervik is known for its world class fishing, hunting and outdoor activities.
