

“**Tu Trabajo EURES-FSE**” is a project to provide financial support to:

- **Unemployed workers** who are invited to go for a **job, traineeship or apprenticeship interview** or **get a job, traineeship and apprenticeship** in a country of the European Union, the European Economic Area and Switzerland different from his country of residence, and / or for a **language course** linked to the needs of the job, apprenticeship or traineeship.

**REQUIREMENTS** (the three requirements must be fulfilled)

---

1. **Unemployed workers without an age limit**, with Spanish nationality or from any other country of the European Union, the European Economic Area, or Switzerland that have **legal residence in Spain**.
2. **Registered as jobseekers in a Spanish Public Employment Service** or in the case of Spanish people abroad, in any other Public Employment Service from the European Union, European Economic Area or Switzerland where they have the legal residence.
3. The job, apprenticeship or traineeship contract must be equal or superior to **six months**.

**TYPE OF GRANTS COMPATIBLE WITH EACH OTHER**

---

1. If you **are invited by an employer**, you can apply for financial support for a job, apprenticeship or traineeship interview in another European Union country, European Economic Area country and Switzerland different from your country of residence.
2. You can apply for financial support if **you relocate to another European Union country, European Economic Area country and Switzerland** different from your country of residence **to start a new job, apprenticeship or traineeship**. The support covers costs towards travel and temporary accommodation during your first stay in the country.
3. If you have got a job, apprenticeship or traineeship with duration of at least six months in another European Union country, European Economic Area country and Switzerland different from your country of residence and have a **need to attend a language course** in order to facilitate your work, you may be eligible to apply for support.

**REMEMBER** that you must apply **always through a process where EURES Spain network acts as an intermediary** ( *could be a EURES job offer or an offer from any other portal of employment, but in any case a EURES adviser should always confirm the job offer and sign the required forms*)
