### **What is Your first EURES job 4.0?**

Your first EURES job is a European Union job mobility scheme to **help young Europeans find a job or work-based training opportunity in other Member State, Norway or Iceland** and to **help employers find qualified young workers** within a larger territory.

**Your first EURES job** provides customised job mobility services to young people and employers through an online innovative platform EUJOB4EU. Under this scheme, **national employment services** provide support – information, recruitment, matching, placement and funding – for both young jobseekers and businesses interested in recruiting from outside their home country.

The initiative, co-funded by the European Union, and led by EURES NCO ITALY, sees the collaboration of 10 co-applicants (EURES NCO Bulgaria, EURES NCO Croatia, EURES NCO Cyprus, EURES NCO Portugal, EURES NCO ROMANIA, EURES NCO Spain, Città metropolitana di Roma Capitale-ITALIA, DIAN-GREECE, FutureLearn LTD-UK, Sapienza Università di Roma-ITALIA) and a large network of associated partners.

### **Who qualifies for support?**

**EU, Norway and Iceland nationals or legally resident, aged between 18 and 35** and living in any EU country, Norway or Iceland.

All **employers** legally established in EU countries, Norway or Iceland offering contracts of at least 6 months' duration, provided that pay and conditions comply with national labour law.

## **What support is available?**

### **For young people**

The scheme funds **language courses** or other forms of **training**. It also covers **travel expenses** for young people applying for jobs or work-based training (apprenticeship or traineeship), enabling them to attend job interviews and settle in other EU countries to take up employment.

The mobility package includes other support measures for young people, described in the Your first EURES job Guide. [Guide to Your First EURES Job](#)

### **For employers**

Companies with up to 250 employees can apply for financial support towards the cost of training newly-recruited workers, trainees or apprentices and helping them settle in.
